

A GUIDE TO THE
LILLY CARES FOUNDATION
PATIENT ASSISTANCE PROGRAM

Lilly

The Lilly Cares Foundation, Inc. is committed to assisting those in need to gain access to Lilly's medicines.

Assistance that's meaningful.

This commitment includes offering assistance to people who may not be able to afford their Lilly medicines. It's important to us to make sure that those who can benefit from these medicines have access to them. Last year, the Lilly Cares Foundation, Inc. helped approximately 117,000 people obtain their needed Lilly medication for free.

Qualifications

Most Lilly products are available through the Lilly Cares Foundation Patient Assistance Program. Guidelines are based on factors such as your age, your income, or whether you have insurance.

You may be eligible for assistance if*:

- » You have been prescribed a Lilly product that is offered through our program
- » You are a permanent, legal US resident
- » You meet the income requirements for the individual program
- » You have no insurance, Medicare Part D, or your insurance doesn't cover the prescribed Lilly medication

*These are just some of the eligibility requirements. Meeting the listed criteria does not guarantee your acceptance into the program.

How to get the assistance you need

If you think you may qualify for the Lilly Cares Foundation Patient Assistance Program, contact the program directly to get an application. To apply, submit your completed application and the required documents.

If you are approved, you will receive your medications in about 2 weeks. Once you are enrolled, you will remain enrolled for up to 12 months. You will continue to receive your free medications unless your eligibility changes (for example, if your insurance or income changes). At the end of the enrollment period, you must reapply to remain eligible in the program.
